***"Your ways, O Lord, make known to me; teach me your paths."*** (Psalm 25: 4)

How does God work in your life? Does He do as you want Him to? God's ways are not our ways...God acts for our good. We are so slow to value what we are given. We must pray and hope, yet we must work as if it depends on us! Why are we so slow to realize God has our good all figured out?

### **Reflection:**
